

# 2017 GGRC Workshop Proposal Form:

Interested in committing to leading a workshop for Gainesville's Girls Rock Camp? We're hosting two camp sessions this year, June 12<sup>th</sup>-17<sup>th</sup> for girls aged 13-17, and July 10<sup>th</sup>-15<sup>th</sup> for girls aged 9-13. We need volunteers to lead empowering and fun workshops during the first 5 days of each session. Workshops are at 10am and 1pm every day and last one hour. Organizers and roadies will be present to assist workshop facilitation. When planning your workshop, please keep in mind that campers will be ages 9-17. The more they can engage and feel involved in the workshop the better! Try to avoid lectures, keep it interactive! If you are participating in both sessions, tailor your workshop to each age group. Examples of past workshops include Popping Performance Personae, Women's Self-Defense, Zine Making, Women's Rock History, and Screen Printing, among others. Workshops should also be empowering and encouraging. We want to teach the girls new skills and information, but most importantly, we want to build up their self-esteem and help them feel strong and capable. Because we have a limited amount of time at camp, not all workshops will be accepted. We'll review your proposal and let you know as soon as possible if your workshop fits our qualifications. Thanks for your support!!!
